Subject: REDACTED Ambassador Bridge

Hi Karel

I just received a phone call from a REDACTED (Sgt Gary C Williams gave REDACTED my cell) and apparently REDACTED Manager) from the Ambassador Bridge is in contact/ in negotiations with some protesters. REDACTED was calling on behalf of REDACTED and was requesting that someone from the Police Service contact REDACTED Apparently would like to unite the protestors with Police as well as the BRiddge Co. REDACTED number is REDACTED

Thanks
Jill
